**VINCI Energies strengthens Building Solutions division in Switzerland**

**Remy Wittwer, member of the Management of VINCI Energies in Switzerland and Head of the ETAVIS Region East and Romandie will take over the management of the "VINCI Energies Switzerland Building Solutions" division from 1<sup>st</sup> January 2020. This division includes the companies of ETAVIS AG, VINCI Facilities and Amman + Schmid.**

**This area of responsibility comprises 2,100 employees with sales of around 390 million Swiss francs.**

Remy Wittwer brings many years of experience in the field of building technology: Since 2011 he has headed the ETAVIS region East and since 2017 also the region Romandie. "VINCI Energies offers a comprehensive service portfolio for building technology in Switzerland. The high level of competence of our staff and the decentralized structure of the VINCI Energies network, coupled with a unique management philosophy that promotes entrepreneurial thinking and action, are very good prerequisites for sustainably succeeding in an agile market characterized by digital transformation."

Dr. Reinhard Schlemmer, General Manager of VINCI Energies Europe East, explains the plans of the Group for Switzerland: "VINCI Energies in Switzerland operates in very important, dynamic markets. Due to the clear segmentation of the divisions, we are prepared for the future in order to continue to grow in the areas of IT and telecommunications infrastructure, digital transformation and industrial and building technology, especially with the strong brand ETAVIS.
